

SPONSORSHIP OPPORTUNITIES

Bratton Community Brass Bands is an organisation comprising Bratton Silver Band, Bratton Brass Band and Bratton Brass Roots.

Bratton Silver Band formed in 1859, is one of the oldest brass bands in the country and has a rich history. The organisation has a strong following. We perform contemporary and traditional brass band music at many local events and stage concerts across the year playing in concert halls, bandstands, churches and smaller community halls.

The organisation is innovative and forward thinking commissioning new music which was performed at the 2023 National Brass Band Championships. We also promote learning within our local communities and have recently started a beginners group called Bratton Brass Roots.

We have a vibrant online presence and promote Bratton Community Brass Bands on community websites across Wiltshire. We wish to embrace local businesses in order to prosper within our community and your support is welcomed to do this.

If you choose to sponsor us we will promote your brand to the community through online marketing campaigns run in conjunction with promotion of our forthcoming concerts. We will also advertise for you in our concert programmes and display your logo on our website and in our Friends of Bratton Silver Bands newsletter.
